A child is being bullied, or picked on, when one of his/her peer or a group of children say nasty or unpleasant things to him or her, also through social networks or using the phone. It is also bullying when a boy/girl is hit, kicked, threatened, locked inside a room, sent nasty notes, or when no-one ever talks to him/her and things like that. These facts can happen frequently, and it is difficult for the victim to defend himself/herself. It is also bullying when a boy/girl is teased repeatedly in a nasty way.
